This Agreement shall begin upon execution by both parties, and shall end twenty-four (24) months after the last signed date, unless terminated earlier in accordance with the provisions of Paragraph (12) of this Agreement. Contract extensions will not be granted unless Recipient is able to provide substantial justification and the Division Director approves such extension.

(4) MODIFICATION OF CONTRACT

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal OMB Circular No. A-102, "Common Rule: Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments" (53 Federal Register 8034) or OMB Circular No. A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations," and either OMB Circular No. A-87, "Cost Principles for State, Local and Indian Tribal Governments," OMB Circular No. A-21, "Cost Principles for Educational Institutions," or OMB Circular No. A-122, "Cost Principles for Non-profit Organizations."

(e) The Recipient shall provide additional program updates or information that may be required by the Department.

(f) The Recipient shall provide additional reports and information identified in Attachment D.

(8) MONITORING

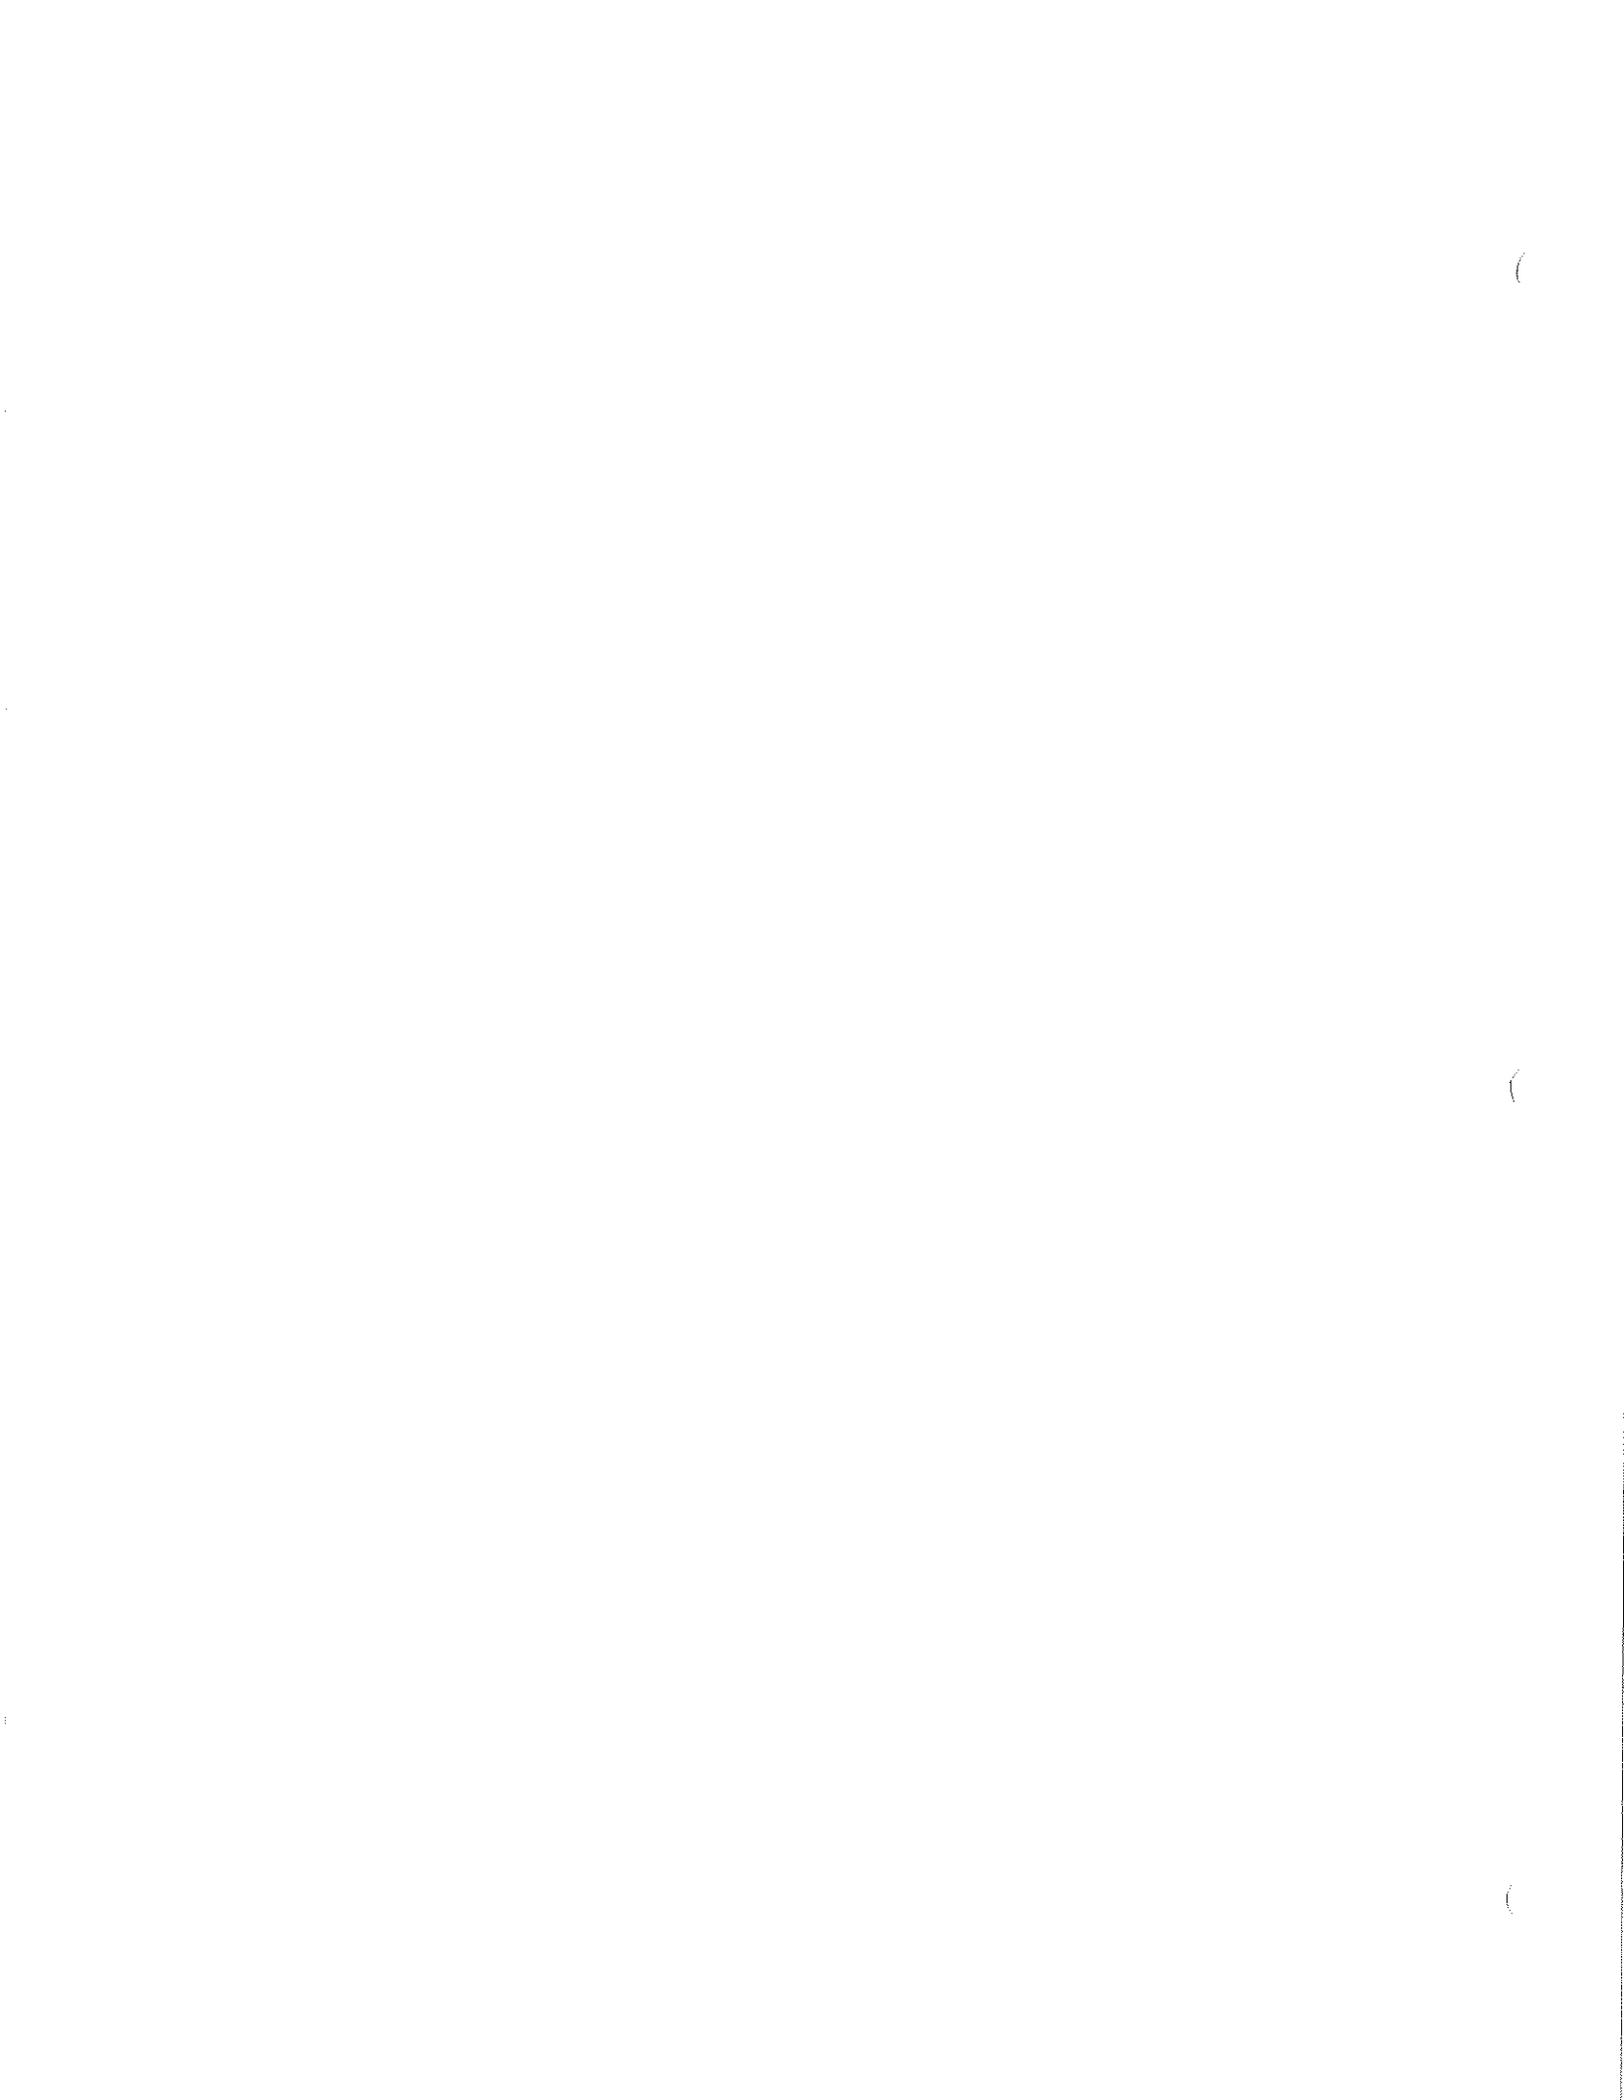

The Recipient shall monitor its performance under this Agreement, as well as that of its subrecipients, subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement, and reported in the monthly report.

In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event that the Department determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Department to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Department will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Department harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Department, but is an independent contractor.

(b) Any Recipient which is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Department, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Department to make further payment of funds shall, if the Department elects, terminate and the Department has the option to exercise any of its remedies set forth in Paragraph (11). However, the Department may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Department is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Department and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement, and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Department.

(c) If any reports required by this Agreement have not been submitted to the Department or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete in timely fashion any of its obligations under this Agreement.

(11) REMEDIES

If an Event of Default occurs, then the Department may, upon thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

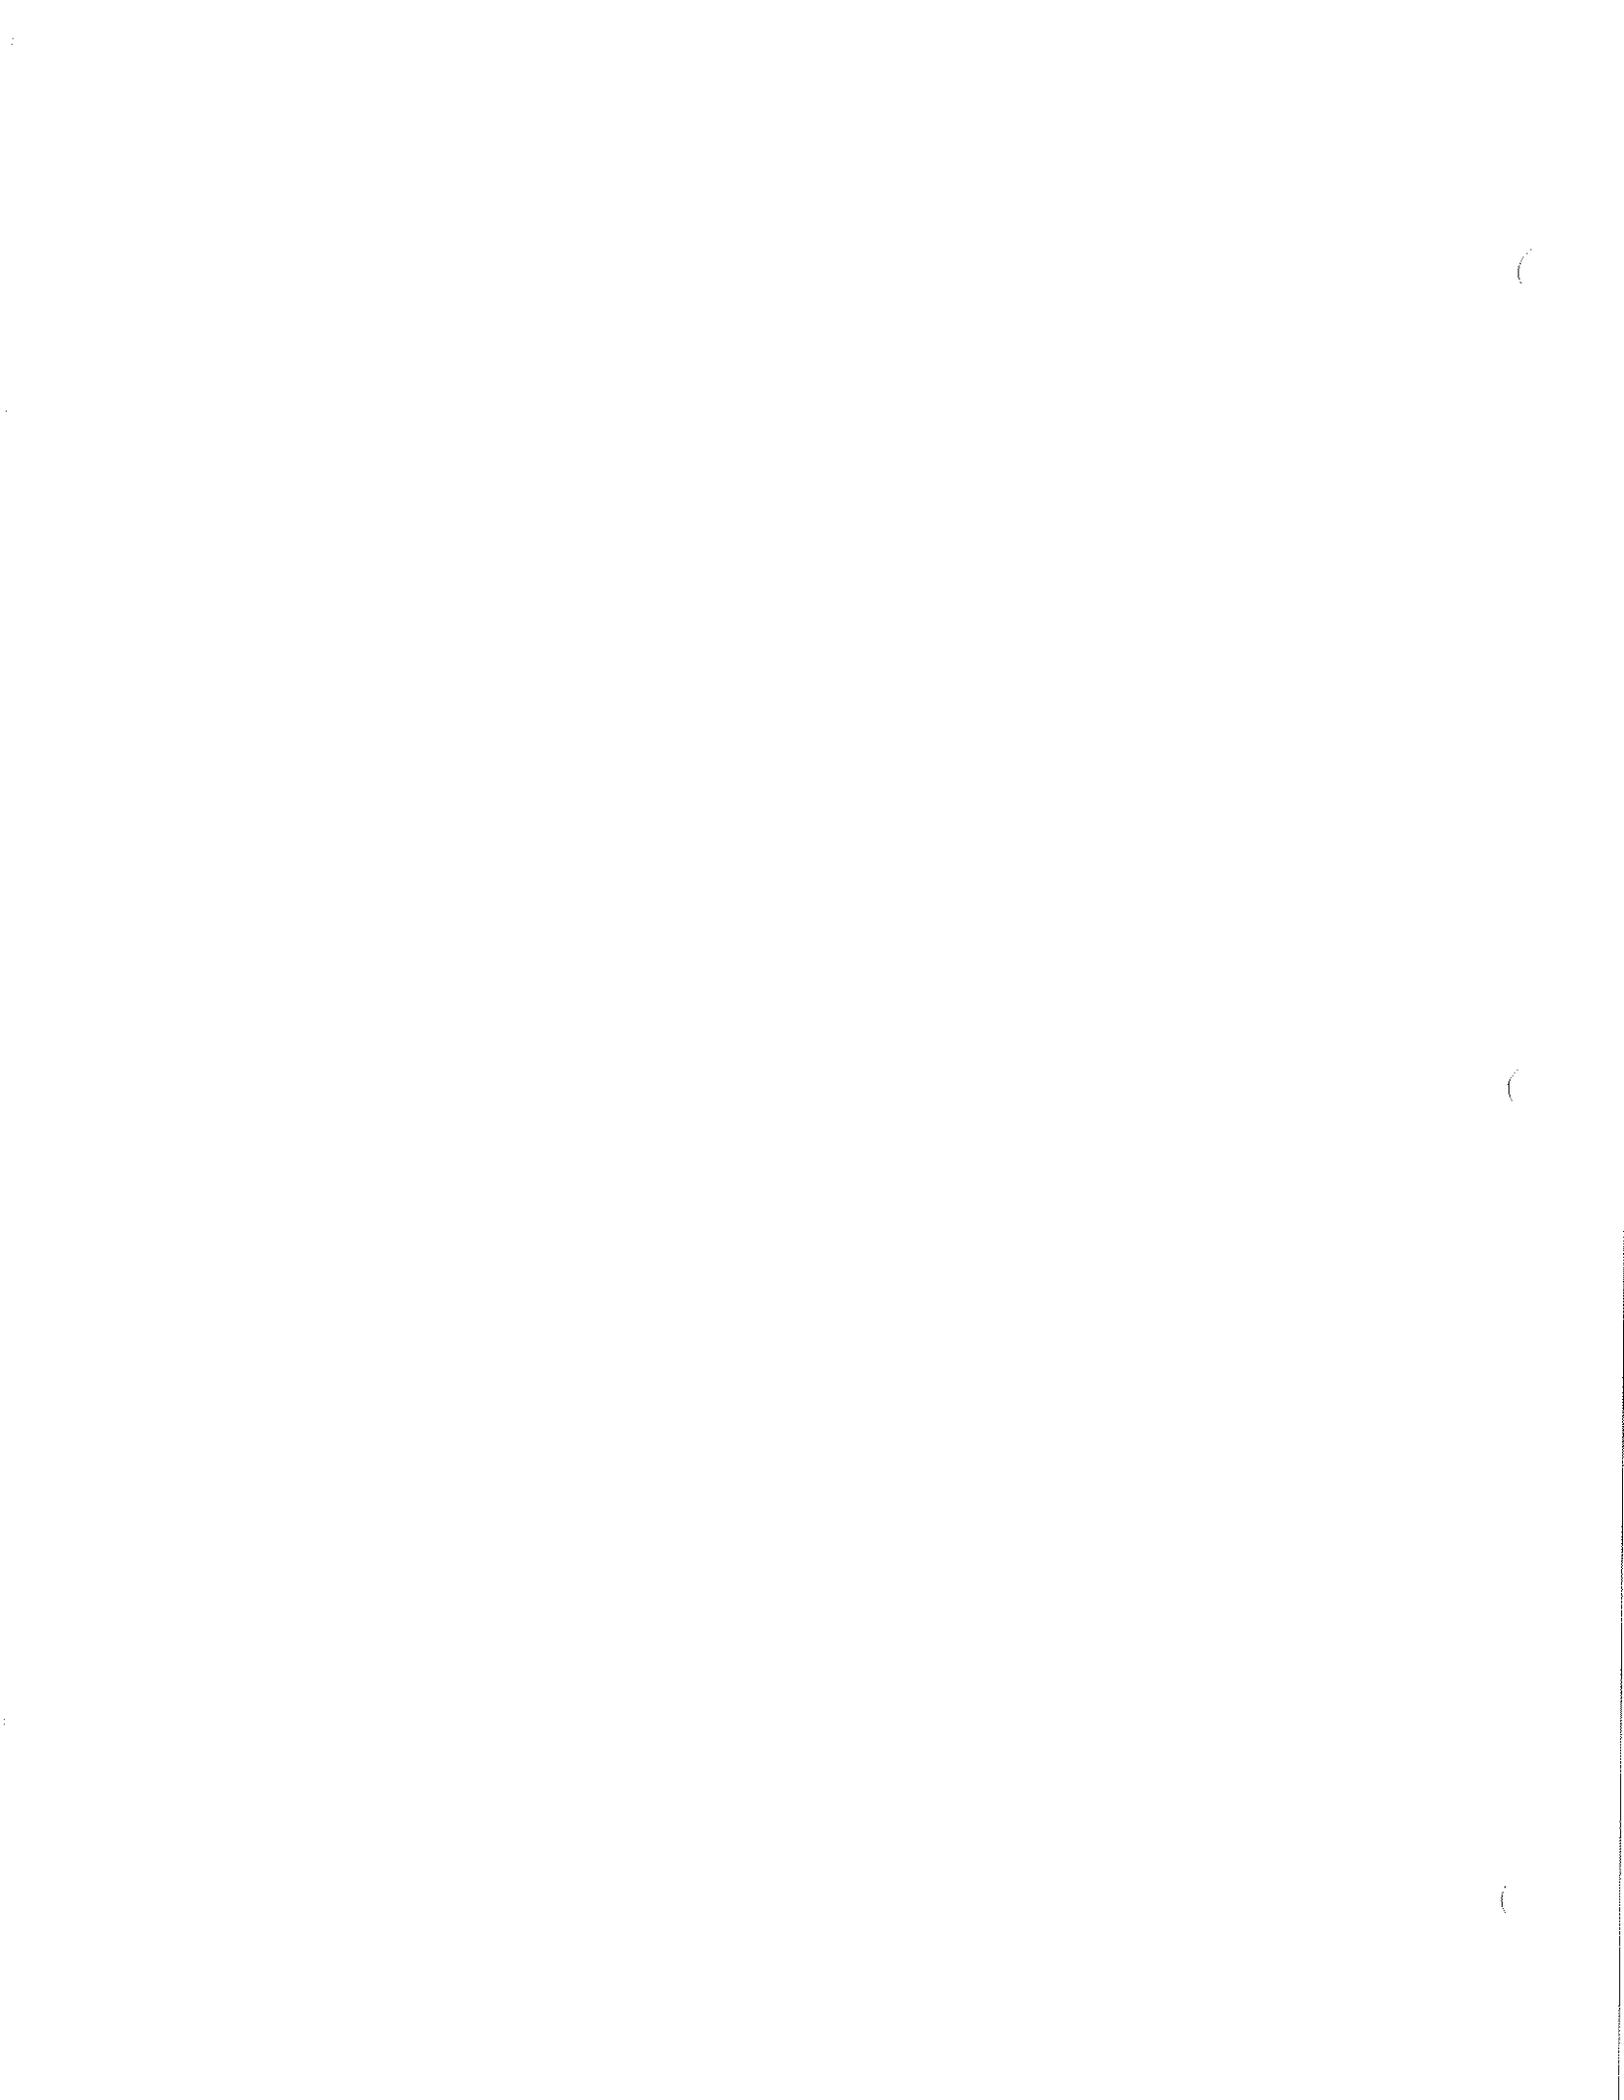

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of such termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail return receipt requested, to the address set forth in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Department any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,
2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected,
3. advise the Recipient to suspend, discontinue, or refrain from incurring costs for any activities in question, or
4. require the Recipient to reimburse the Department for the amount of costs incurred for any items determined to be ineligible.

(f) Exercise any other rights or remedies which may be otherwise available under law.

(g) Pursuing any of the above remedies will not keep the Department from pursuing any other remedies in this Agreement or provided at law or in equity. If the Department waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Department, or affect the later exercise of the same right or remedy by the Department for any other default by the Recipient.

#### (12) TERMINATION

(a) The Department may terminate this Agreement for cause with thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform in a timely manner, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Department may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment shall state the effective date of the termination and the procedures for proper close-out of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Department because of any breach of Agreement by the Recipient. The Department may, to the extent authorized by law, withhold payments to the

### Attachment J: Program and Special Conditions

1. Prior to the obligation or disbursement of any funds, except for administrative expenses not to exceed Fifteen Thousand Dollars (\$15,000), but in any case, no later than ninety-days (90) from the effective date of this Agreement, the Recipient shall complete the following:
  - a. Comply with procedures set forth in 24 C.F.R. Part 58, Environmental Review Procedure for Title I Community Development Block Grant Programs and 40 C.F.R. Section 1500-1508, National Environmental Policy Act Regulations. When this condition has been fulfilled to the satisfaction of the Department, the Department will issue a Release of Funds.
  - b. Submit to the Department copies of all required policies and procedures that have been adopted by the local government but were not provided at the time of original Application. Also, unless submitted with the grant application, submit an executed copy of the required inter-local Agreement if more than one local government will receive funding under this contract.
  - c. The documentation required in paragraph 2 below for any professional services contract associated with activities funded under this grant.
2. For each procured and executed professional services contract for which NSP 3 funding will be requested, or within five (5) days of the execution of any yet to be procured professional services for which NSP 3 funding will be requested, submit a copy of the procurement documents listed below. The recipient proceeds at its own risk if it incurs or expends any funds for a professional services contract before the Department reviews and approves the procurement.
  - a. Public notice of the terms of the request for proposals in a newspaper of regional circulation, including affidavit of publication;
  - b. List of entities to which a notification of the request for proposals was provided by email, U.S mail or by fax;
  - c. List of firms that submitted a proposal (only if short-listing procedure was used);
  - d. Completed short-listing evaluation / ranking forms, including any ranking summary document, and document transmitting the short-listed firms to the commission (only if short-listing procedure used);
  - e. Completed final evaluation / ranking forms;
  - f. Portion of commission minutes dealing with contract award;

- g. Cost breakout from selected firm used for completion of the cost analysis (if pricing information was not submitted with proposals);
  - h. Contract (signed or proposed);
  - i. Truth-in-Negotiation certification (if not in the contract) for engineering contracts over \$150,000;
  - j. If a protest was filed, a copy of the protest and documentation of resolution;
  - k. A request for the Department's approval of a single source procurement if only one firm was considered and the contract exceeds \$25,000;
  - l. If a regional planning council or local government is performing the services, submit only a copy of the contract and cost analysis information.
- 3 The Recipient shall not enter into a contract to be paid with NSP funds based on a sole source or single proposal procurement action without prior written approval from the Department. Failure to secure the prior written approval shall relieve the Department of any obligation to fund the said procurement contract, including any payments previously made. If professional services procurement will not be undertaken, advise the Department.
4. For any activity that requires construction plans and specifications prepared by an engineer or architect:
- a. Provide to the Department a copy of all engineering specifications and construction plans. The Recipient shall also furnish the Department, prior to soliciting bids or proposals, a copy of all bid documents for all services and/or materials to provide those services and/or materials for all construction activities when the bids are expected to exceed \$25,000. These submissions are for the limited purpose of identifying the extent of the activities to be accomplished with NSP 3 funds under this Agreement, and inclusion of program requirements, and in no way does it indicate that the Department has conducted a technical review of, or approved the plans or other bidding documents;
  - b. The Recipient shall not publicize any request for bids for construction purposes or distribute bid packages until the Department has provided to the Recipient, written acceptance of the engineering specifications, construction plans, and bid documents; and
  - c. In any service area which requires construction plans and specifications prepared by an engineer or architect, no more than twenty-five percent (25%) of the grant administration amount allocable to that service area may be requested until the construction plans and specifications for that service area have been received for review by the Department. For the purpose of this condition, the allocable grant administration amount for each service area is calculated by first determining each

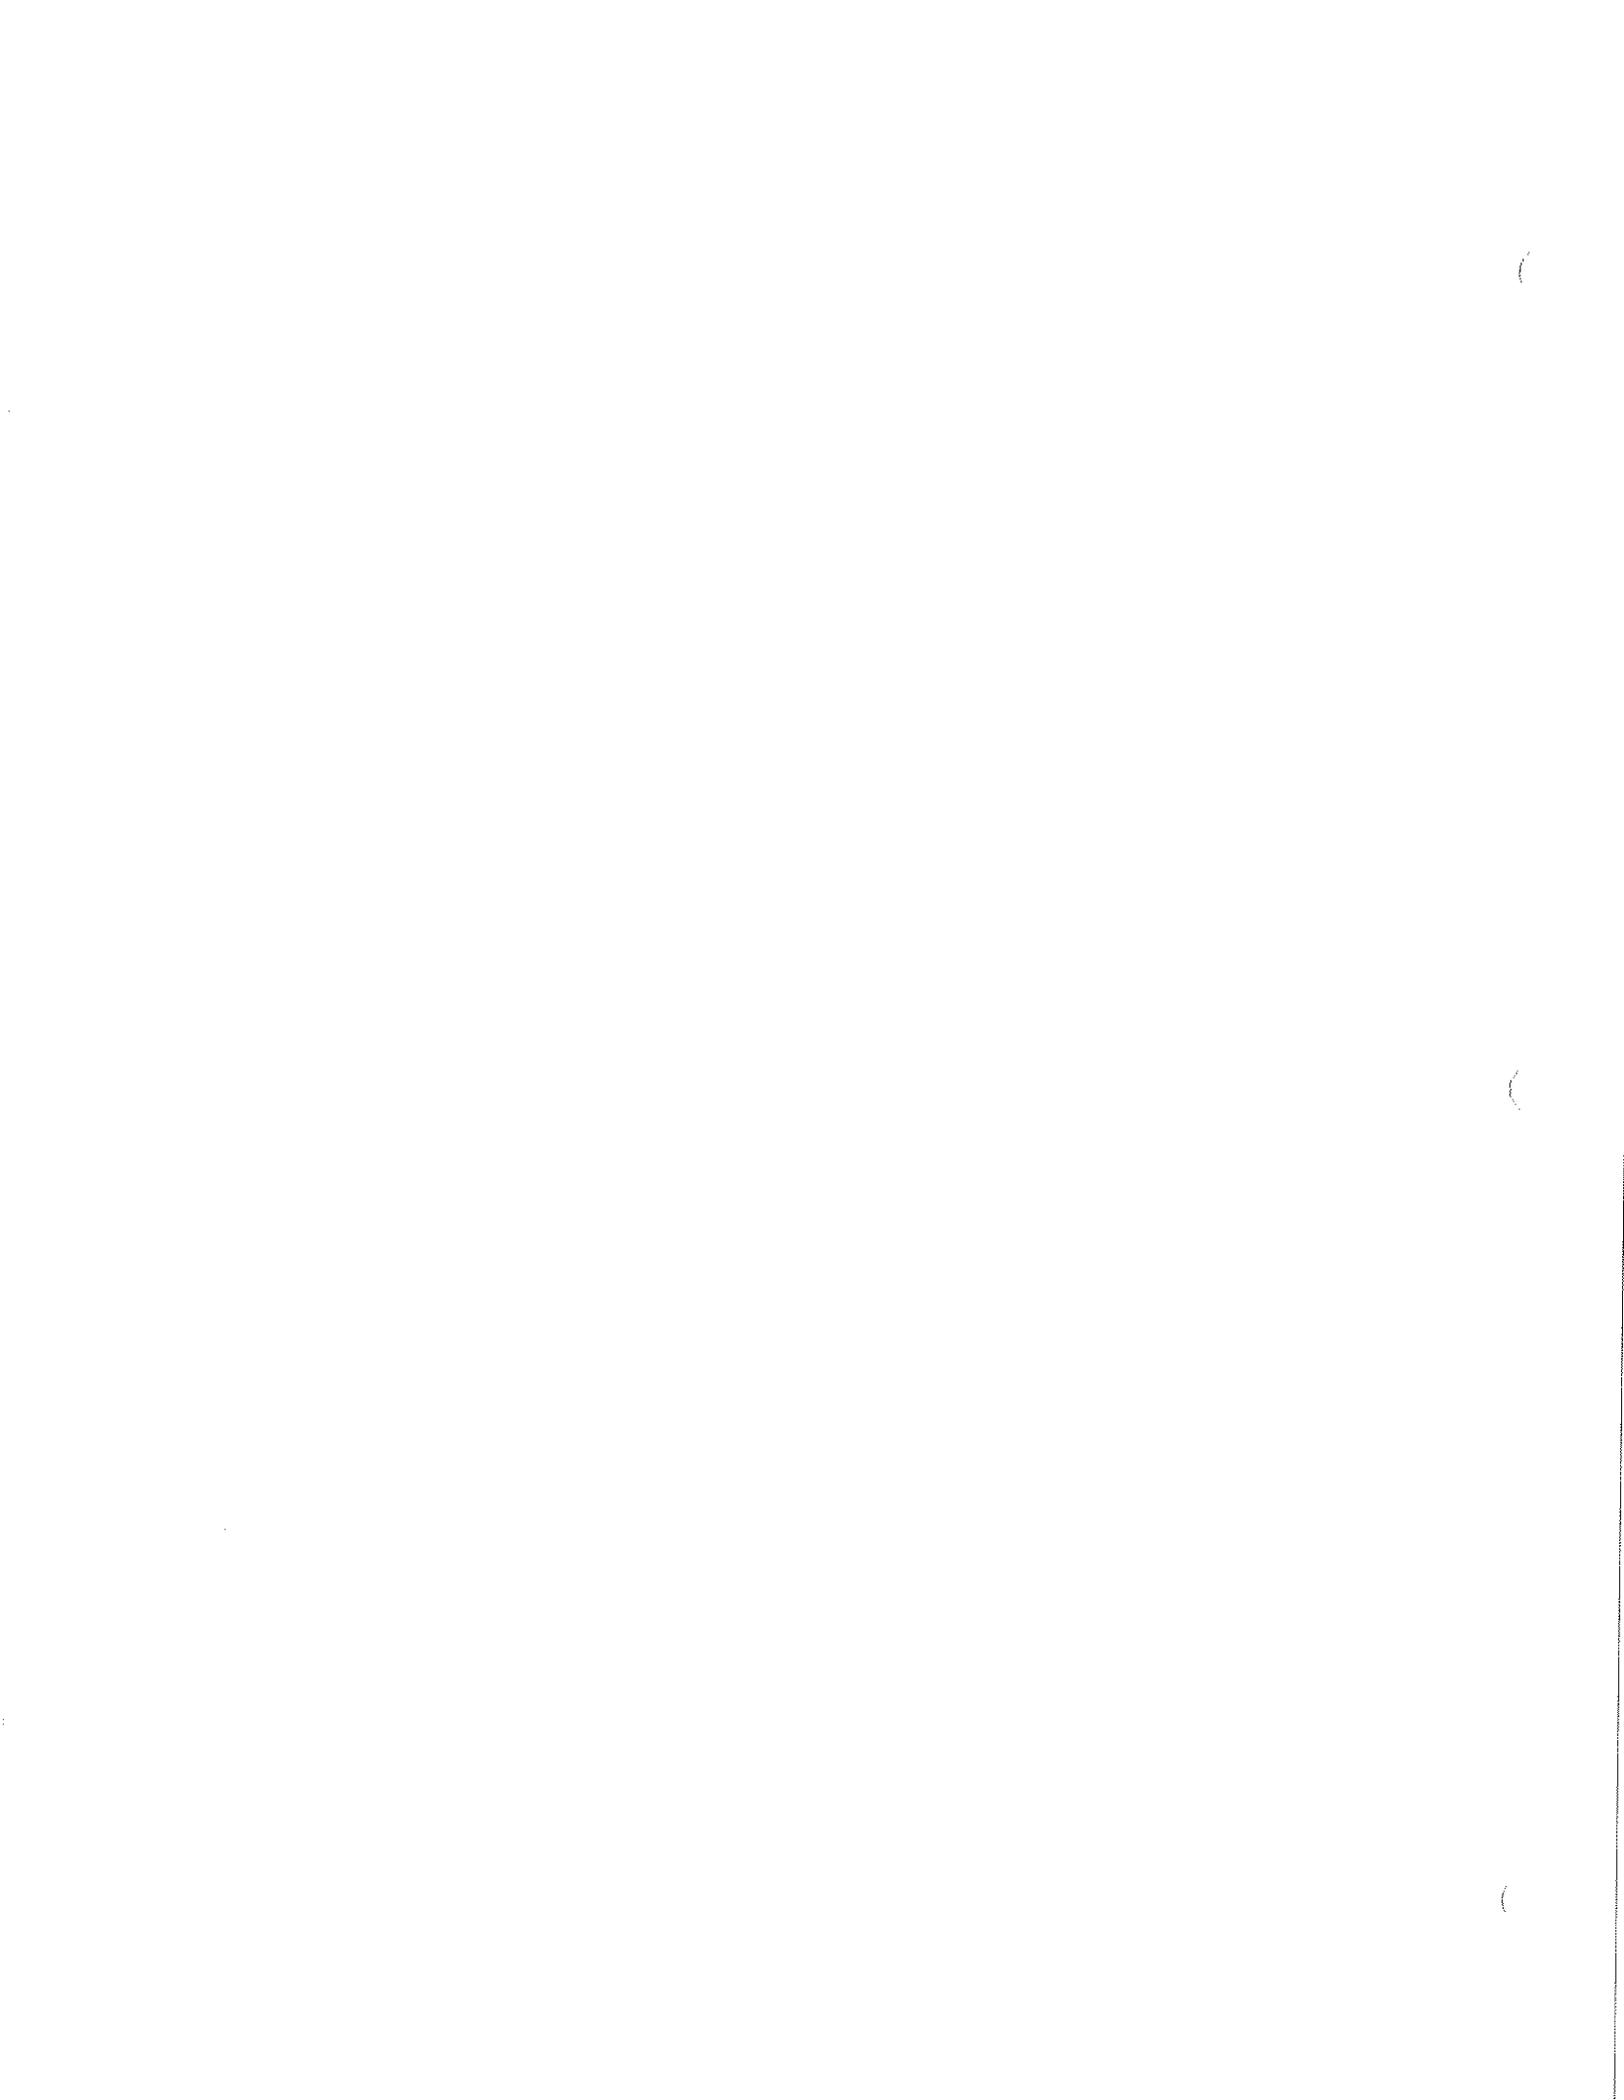

(

(

(

service area's percentage of total project costs, excluding administrative costs, and then multiplying the service area's percentage of total project costs by the total administrative budget. This calculation results in a percentage of total administrative costs per service area based on each service areas percentage of the grants total project costs, excluding administrative costs.

5. Any procurement which requires public notice in a newspaper (except as otherwise provided for in this contract) shall be published in a daily newspaper of general circulation in a nearby Office of Management and Budget (OMB) designated metropolitan statistical area (MSA). Alternatively, a local government may substitute such notice with a combination of local newspaper publication and mailed announcements to potential bidders, which generates at least three responsible and responsive bids or proposals. Such publication and/or mailing shall allow at least 12 days for receipt of the proposals or bids.
  - a. The Department must provide written permission prior to the local government awarding any contract exceeding \$25,000 procured as a result of inadequate competition, a sole source or noncompetitive procurement. For contracts below \$25,000, the local government's files must document the justification for such noncompetitive procurement which complies with 24 C.F.R. 85.36(b)(4).
  - b. All contracts for professional services shall conform to the following:
    - i. Any Request for Proposals which includes more than one service shall provide that: Proposals may be submitted for one or more of the services; qualifications and proposals shall be separately stated for each service; The evaluation of the proposals shall be separate for each service.
    - ii. A written evaluation, such as a ranking sheet or narrative, shall be prepared for each proposal, ranking or comparing each proposal to the criteria in the published Request for Proposals. Based on those criteria, the written evaluation will document why the successful proposal was selected.
    - iii. A separate professional services contract must be procured and executed between the local government and any professional services consultant for each particular NSP 3 subgrant and each service. Each advertisement for procurement of NSP 3 professional services, except for subgrant application preparation, must identify either the NSP 3 subgrant cycle by federal fiscal year or the NSP 3 subgrant cycle by federal fiscal year or the NSP 3 subgrant agreement to which it is applicable.
    - iv. Each professional services contract must reference the NSP 3 subgrant agreement to which it is applicable.

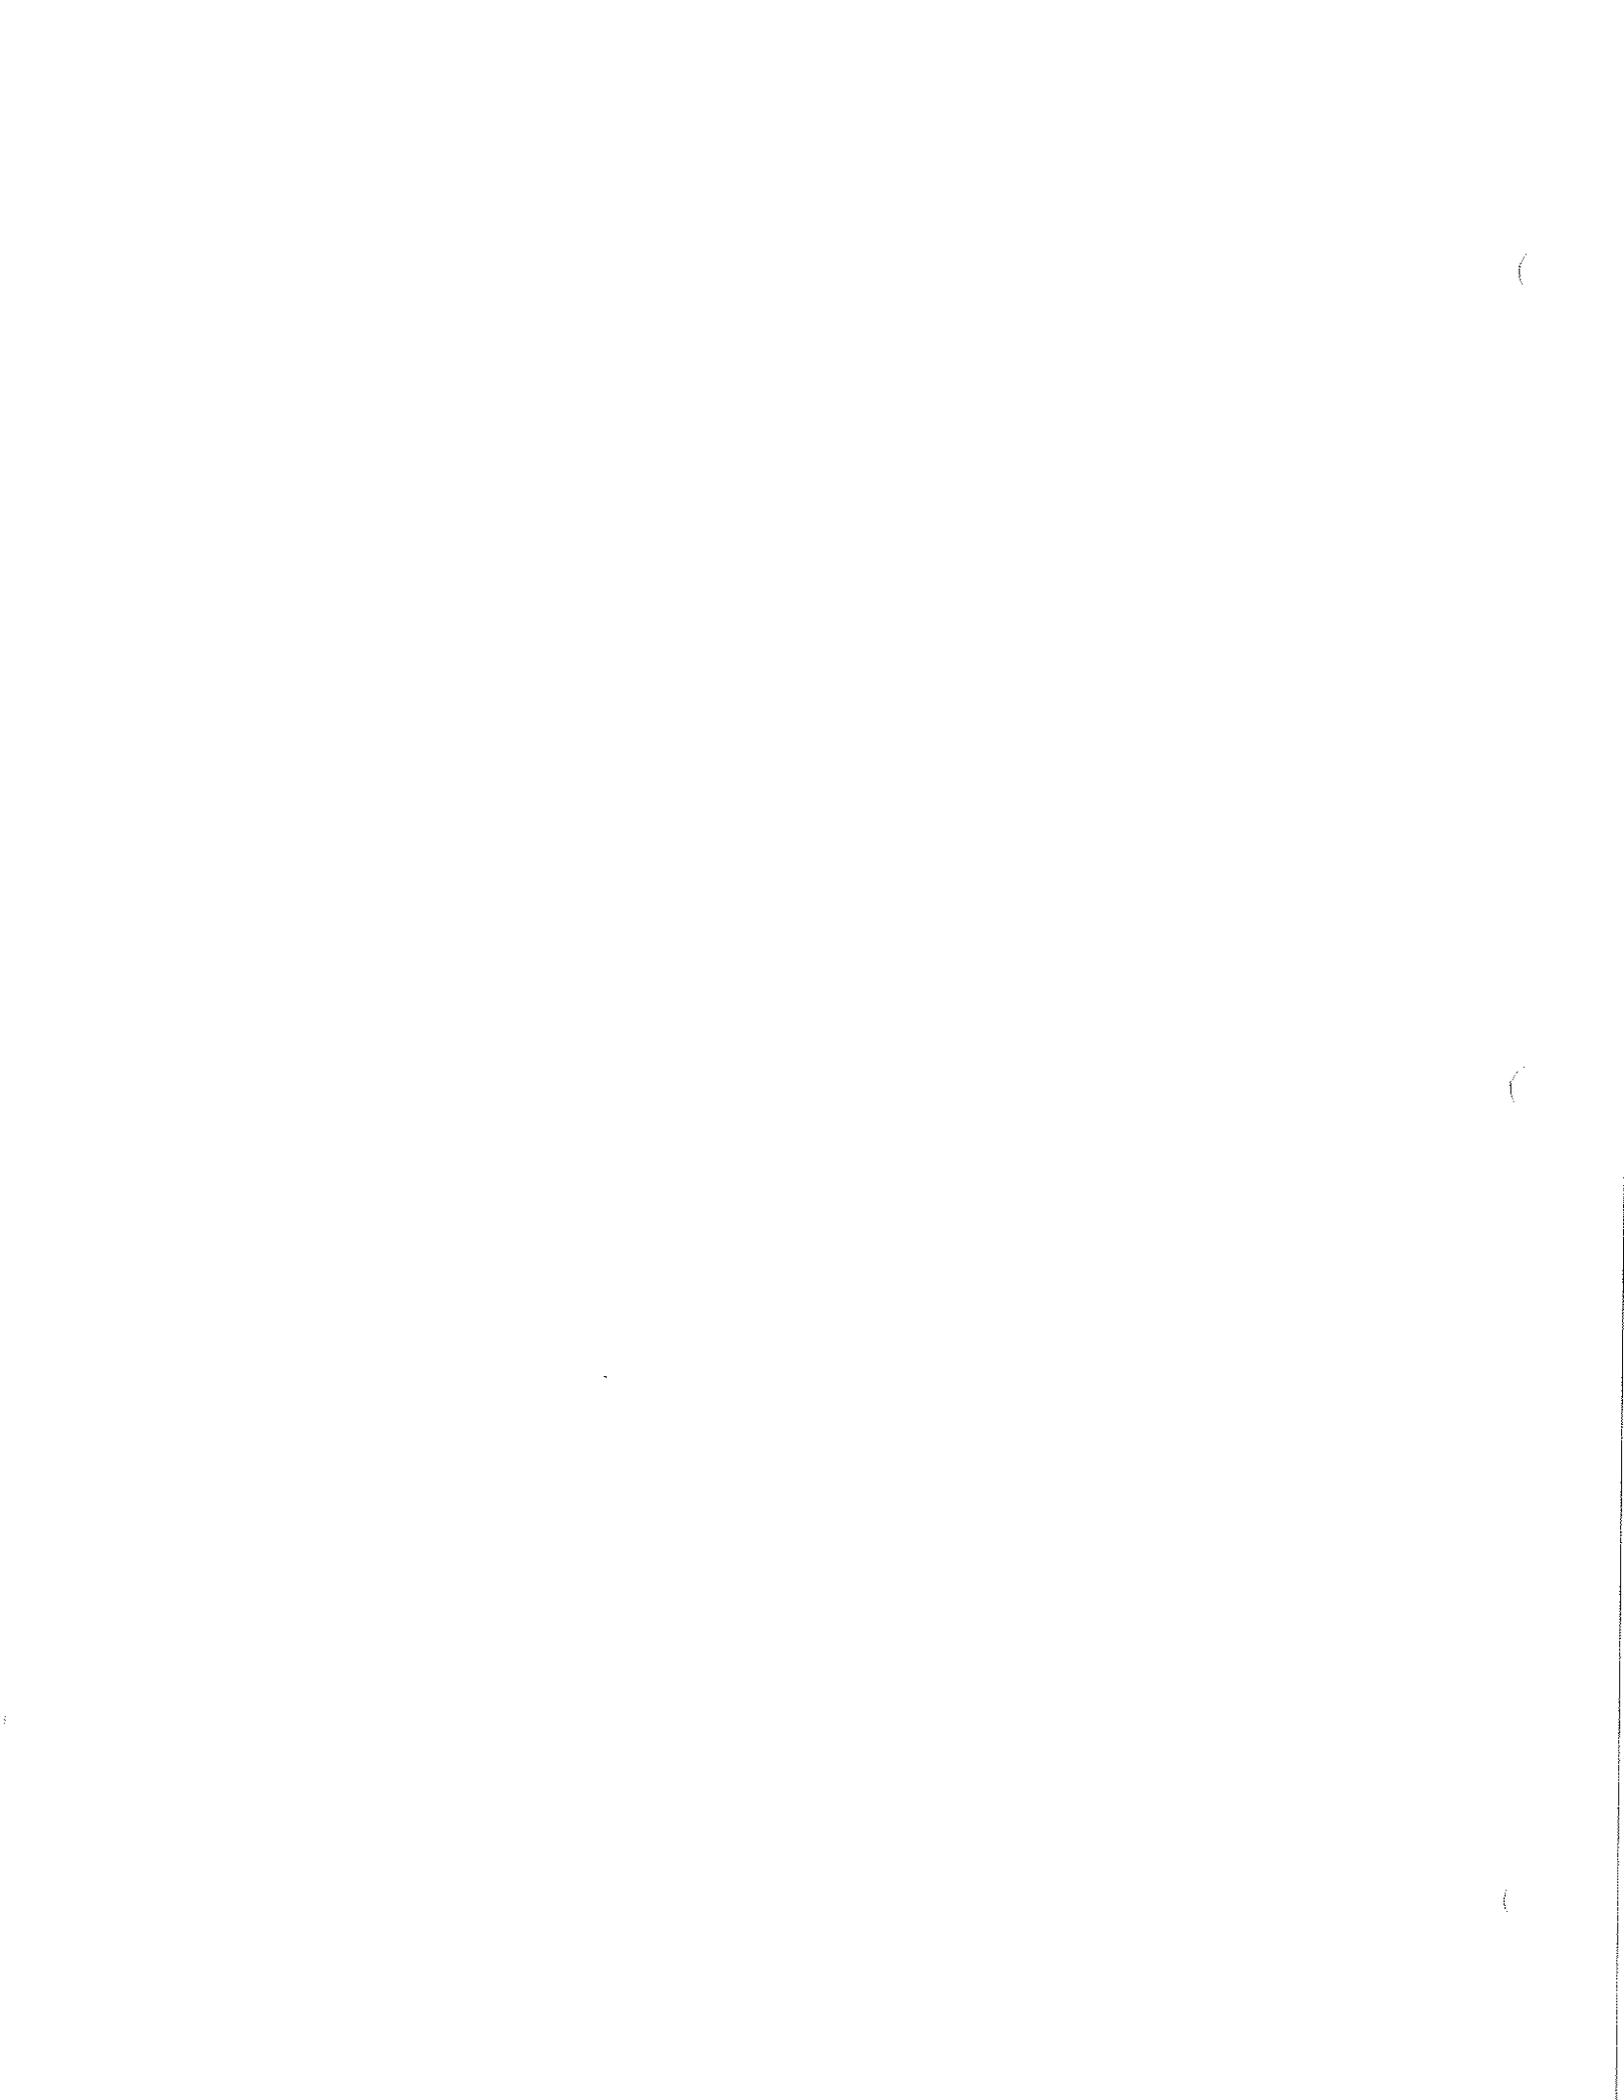

- c. If NSP 3 and other sources of funding are being jointly used to fund activities under a single contract, the activities to be paid for with NSP 3 funds must be shown separately in the bid proposal so that the NSP 3 activities and the amount of the contract to be paid from NSP 3 funds are identifiable.
  - d. If, after applying any specified deductive alternates, construction bids exceed available funds, the local government shall not negotiate with the low bidder unless there is only one bidder or all bidders are allowed to submit revised bids for the revised project.
  - e. If the construction cost can be reduced by deleting entire line items or reducing quantities based on unit prices identified in the bid, the effect of such deletions or reductions on all bidders' prices shall be determined. Contract award shall be made to the low, responsive and responsible bidder for the revised project.
  - f. All contracts in excess of \$100,000 covered by Section 3 regulations shall contain the language required in 24 C.F.R. 135.38.
6. Should the Recipient be undertaking any activity subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended, and:
- a. NSP 3 funds will not be used for the cost of acquisition, the Recipient shall document completion of the acquisition by submitting all documentation required for a desk monitoring of the acquisition, including notice to the property owner of their rights under URA, invitation to accompany the appraiser, all appraisals, offer to the owner, acceptance, contract for sale, statement of settlement costs, copy of deed, waiver of rights (for donations), as applicable. The documentation shall be submitted within 45 days of acquiring the property and prior to advertising for construction bids for any activity that required the acquisition.
  - b. NSP 3 funds will be used for the cost of acquisition, the Recipient shall document completion of all pre-acquisition activities by submitting all documentation required for a desk monitoring of those activities, including notice to the property owner of their rights under URA, invitation to accompany the appraiser, all appraisals, offer to the owner, acceptance, contract for sale, waiver of rights (for donations), and estimated settlement costs, as applicable. The documentation shall be submitted to the Department for review prior to closing on the property. A copy of the final statement of settlement costs and a copy of recorded deed, with any required deed restrictions, shall be submitted within 45 days of the acquisition.

(

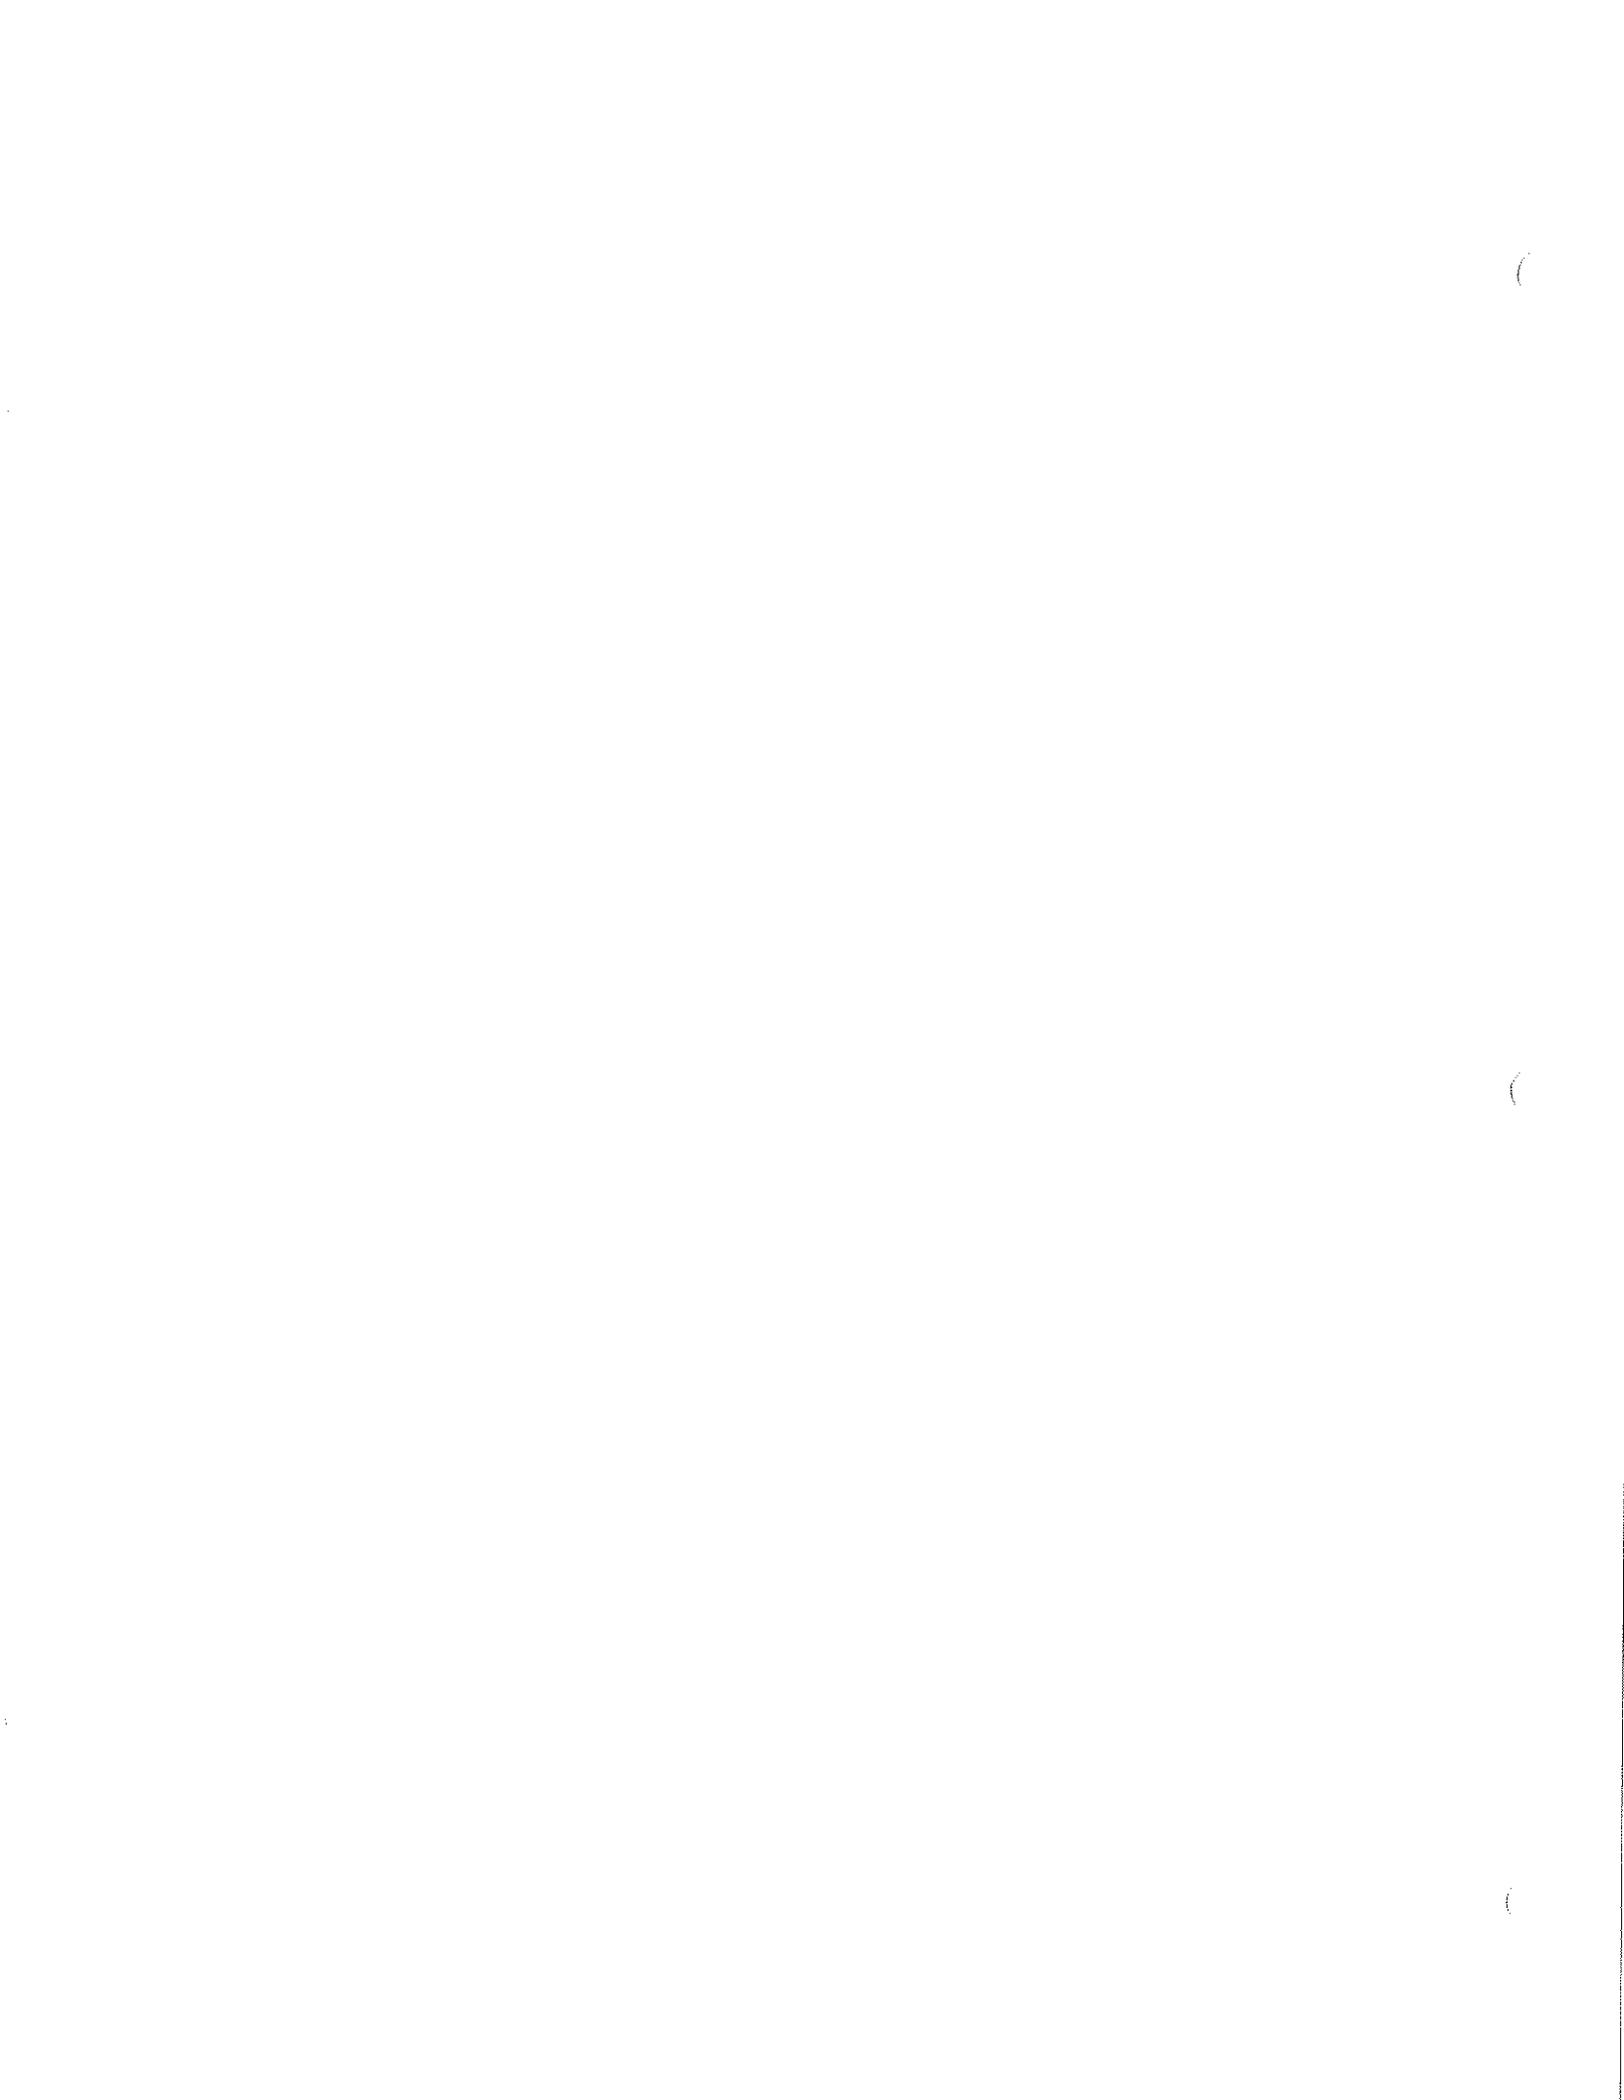

(

(

7. Payment for the acquisition of property, right-of-way, or easement must be approved in writing by the Department prior to distribution of funds. Should the Recipient fail to obtain Department approval, any portion of the cost of the acquisition exceeding Fair Market Value as established in the Housing and Urban Development (HUD) Handbook 1378 shall not be paid with NSP 3 funds. Furthermore, if grant funds are used for acquisition, the requirements of 24 CFR 570.83 (e) (2) regarding final use or disposition shall be met.
8. If grant funds are used for acquisition of property for, or infrastructure in support of, LMI housing construction, construction of the housing must be completed and LMI benefit documented during the sub-grant period.
9. No payment from the Department shall be for an amount less than \$5,000, unless it is a local government's final request for funds. Additionally, all funds requested from the department must be expended within 3 days of receipt.
10. If the project involves installation of new sewer lines, or a new sewer treatment plant funded (partially or wholly) from NSP 3 funds and new sewer lines funded by another source, the Recipient shall document notification to appropriate households of the requirement in Section 381.00655(1), Fla. Stat. (2010) to hookup to the sewer system within 365 days of its availability. (Note that the notification is to be provided at least one year prior to the anticipated availability of the system.) Special assessments or impact fees cannot be charged to households that are to be hooked-up to a water or sewage system.
11. The maximum percentage of subgrant funds allowed for architectural and engineering costs shall be based on the subgrant activities which require architectural design and engineering and shall not exceed the Rural Development (RD) Rural Utility Service (RUS) fee schedule (Form RD 1942-19) in Florida RUS Bulletin 1780-9, which can be obtained from the Department, and which is incorporated herein by reference.
  - a. If more than one design professional is needed for an activity or activities (e.g., a landscape architect in addition to an engineer for sidewalk construction in a Commercial Revitalization project), the local government shall not exceed the appropriate RD/RUS fee curve for each activity covered by each design professional negotiated separately. For projects involving both Table I and II activities, engineering costs shall be pro-rated appropriately. The Department will not fund or reimburse costs of engineering activities that are not eligible under the Rural Utilities Service (RUS) fee schedule or those costs that exceed the RUS rates.

12. The Recipient, by executing this Agreement, certifies that program income received and retained by the local government before closeout of the grant will be used to continue grant activities in compliance with all applicable requirements of 25 C.F.R. Section 570.489(e). The amount of program income earned and expended must be reported to the Department on a quarterly basis.
13. The Recipient shall annually undertake an activity to affirmatively further fair housing pursuant to 24 C.F.R. Section 570.487(b)(4). Annually shall be defined as an activity for each year or one-third thereof from the effective date of the contract to the date of submission of the administrative closeout.
14. A deed restriction shall be recorded on any real property or facility acquired with NSP 3 funds. This restriction shall limit the use of that real property or facility to the use stated in the Application and that title shall remain in the name of the Recipient. Such deed shall be made a part of the public records in the Clerk of Court of the County in which the Recipient is located. Any future disposition of that real property shall be in accordance with 24 C.F.R. Section 85.31. Any future change of use shall be in accordance with 24 C.F.R. Section 570.489(j).
15. The Recipient shall conduct all public hearings relating to this Agreement and performance hereunder in a location that is accessible to physically handicapped persons or make such accommodations as necessary to provide for active participation of handicapped persons desirous of attending such public hearings.
16. All amendments to the activities contained in the application, including proposed new activities must be approved by the Department in writing prior to the date of initiation of that activity or the execution of any contract with any third party relating to such activity. The Department reserves the right to require that an activity meeting the Low to Moderate Income (LMI) national objective be replaced with another activity meeting the LMI national objective if the original activity cannot be completed.
17. All requests for subgrant amendments shall include the following written documentation for review by the Department:

  - h. If the local government requests administrative closeout prior to the termination date of the subgrant agreement, any amendment affecting closeout and requiring Department approval must be included with the closeout.
  - i. Any proposed amendment extending the termination date of the subgrant agreement must be approved by the Department. The local government must explain any delay affecting project completion and must justify the need for the extension.
18. The Recipient shall comply with the historic preservation requirements of 24 C.F.R. 58.17 and the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, and with all other environmental regulatory requirements.
  19. Conflicts of interest relating to procurement shall be addressed pursuant to 24 C.F.R. Section 570.489(g). A lien is not required when the demolition is needed for residential reconstruction completed during the sub-grant period. A copy of the lien shall be maintained in the project files. When the lien is paid, the funds shall be treated as program income in accordance with CDBG regulations in 24 CFR 570.

26. Before expending NSP 3 funds the recipient must receive prior written approval of release of funds.
27. Recipients of these NSP 3 funds are responsible for management of all subrecipients' vendors and contractors that will receive funding from this grant or will assist the Recipient in carrying out the activities funded under this grant. Recipients must take steps to ensure compliance with applicable Federal and State rules and regulations. The Recipient's monitoring must cover each program, function or activity. Site visits and any necessary review of files should be undertaken on a regular basis to ensure that projects are being carried out in a timely manner and that they comply with required rules and regulations. Recipients must report on the subrecipient, vendor and contractor progress on a quarterly basis using the Department's Quarterly Status Report developed specifically for this NSP 3 funding. Recipients are encouraged to develop written procedures and checklists for accomplishing such monitoring. During on-site visits, the Department may request documentation that reviews of subrecipients or contracted work has been monitored on a regular basis.

A recipient shall demonstrate its commitment to abide by the laws through the actions listed below.

As a condition for the receipt of Neighborhood Stabilization Program 3 Grant funds, each recipient must certify that it provides access to all Federally funded activities to all individuals, regardless of handicap. A recipient shall demonstrate its commitment to abide by the laws through the actions listed below.

Each recipient shall do the following:

- 1) Have in place a resolution or ordinance that is designed to eliminate discrimination against any person who

- 4) Establish a system to record the following:
  - a) The nature of the calls,
  - b) The actions taken in response to the calls, and
  - c) The results of the actions taken.

The Section 504 prohibitions against discrimination (See 45 CFR Part 84.) apply to service availability, accessibility, delivery, employment, and the administrative activities and responsibilities of organizations receiving Federal financial assistance. A recipient of Federal financial assistance may not, on the basis of disability:

- Deny qualified individuals the opportunity to participate in or benefit from federally funded programs, services, or other benefits,
- Deny access to programs, services, benefits or opportunities to participate as a result of physical barriers, or
- Deny employment opportunities, including hiring, promotion, training, and fringe benefits, for which they are otherwise entitled or qualified.

The ADA (Title II, 28 CFR Part 35, and Title III, 28 CFR Part 36) prohibits discrimination on the basis of disability in employment, State and local government, public accommodations, commercial facilities, transportation, and telecommunications. To be protected by the ADA, one must have a disability or have a relationship or association with an individual with a disability.

Title II covers all activities of State and local governments regardless of the government entity's size or receipt of Federal funding. Title II requires that State and local governments give people with disabilities an equal opportunity to benefit from all of their programs, services, and activities (e.g. public education, employment, transportation, recreation, health care, social services, courts, voting, and town meetings). State and local governments are required to follow specific architectural standards in the new construction and alteration of their buildings. They also must relocate programs or otherwise provide access in inaccessible older buildings, and communicate effectively with people who have hearing, vision, or speech disabilities.

Title III covers businesses and nonprofit service providers that are public accommodations, privately operated entities offering certain types of courses and examinations, privately operated transportation, and commercial facilities. Public accommodations are private entities who own, lease, lease to, or operate facilities such as restaurants, retail stores, hotels, movie theaters, private schools, convention centers, doctors' offices, homeless shelters, transportation depots, zoos, funeral homes, day care centers, and recreation facilities including sports stadiums and fitness clubs. Transportation services provided by private entities are also covered by Title III.

Each recipient shall encourage its contractors to hire qualified low and moderate income residents for any job openings that exist on CDBG-funded projects in the community. The recipient and its contractors shall keep records to document the number of low and moderate income people who are hired to work on CDBG-funded projects. The number of low and moderate income residents who are hired to work of the project shall be reported in the comment section of the quarterly report.

As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

- F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).
