Flagler County Airport

HELP KEEP
FLAGLER COUNTY AIRPORT
A FRIENDLY NEIGHBOR

Recommended Departure and Arrival “Quiet” Procedures

- Runway 6 is the designated calm wind runway.
- Right-hand traffic to Runway 11.
- Climb as high as possible before leaving airport boundaries, consistent with safety.
- Avoid intersection takeoffs.
- Maintain pattern altitude as long as practicable and use the PAPIs on final approach.
- Keep the patterns as tight as possible.
- Jets should follow NBAA Standard Noise Abatement Departure and Arrival Procedures or comparable procedure specific to your aircraft manufacturer.
- Propeller aircraft should utilize AOPA Noise Awareness Steps.

Please keep in mind that when you fly into the Flagler County Airport, you’re not just landing at our airport – you’re entering our neighborhood.

Many people live within a short distance of our airport and they are sensitive to sounds of incoming and outgoing air traffic – both day and night.

Please Fly Friendly!
