SORBA

The Flagler Area Biking Chapter of the Southern Off Road Bicycle Association (SORBA) voluntarily maintains the trail and technical features to create a safe and challenging course for mountain biking enthusiasts.

SORBA is the largest nonprofit mountain biking organization in the Southeast. The mission of the organization is to promote land access, trail preservation, and new trail development in order to enhance mountain bike touring, racing, fun, and fellowship for all mountain bicyclists in the southeastern United States.

To volunteer or join the Flagler Area Biking Chapter please visit www.FlaglerBiking.com.

TRAIL DIFFICULTY

Easy

Firm stable surface suitable for most riders. No technical features.

More Difficult

Mostly stable surface with some variability. Requires moderate level of fitness. Features are avoidable.

Very Difficult

Widely variable surface with a 15% or less grade. Requires level of fitness and stamina. Features require rider to dismount and walk to avoid.

Most Difficult

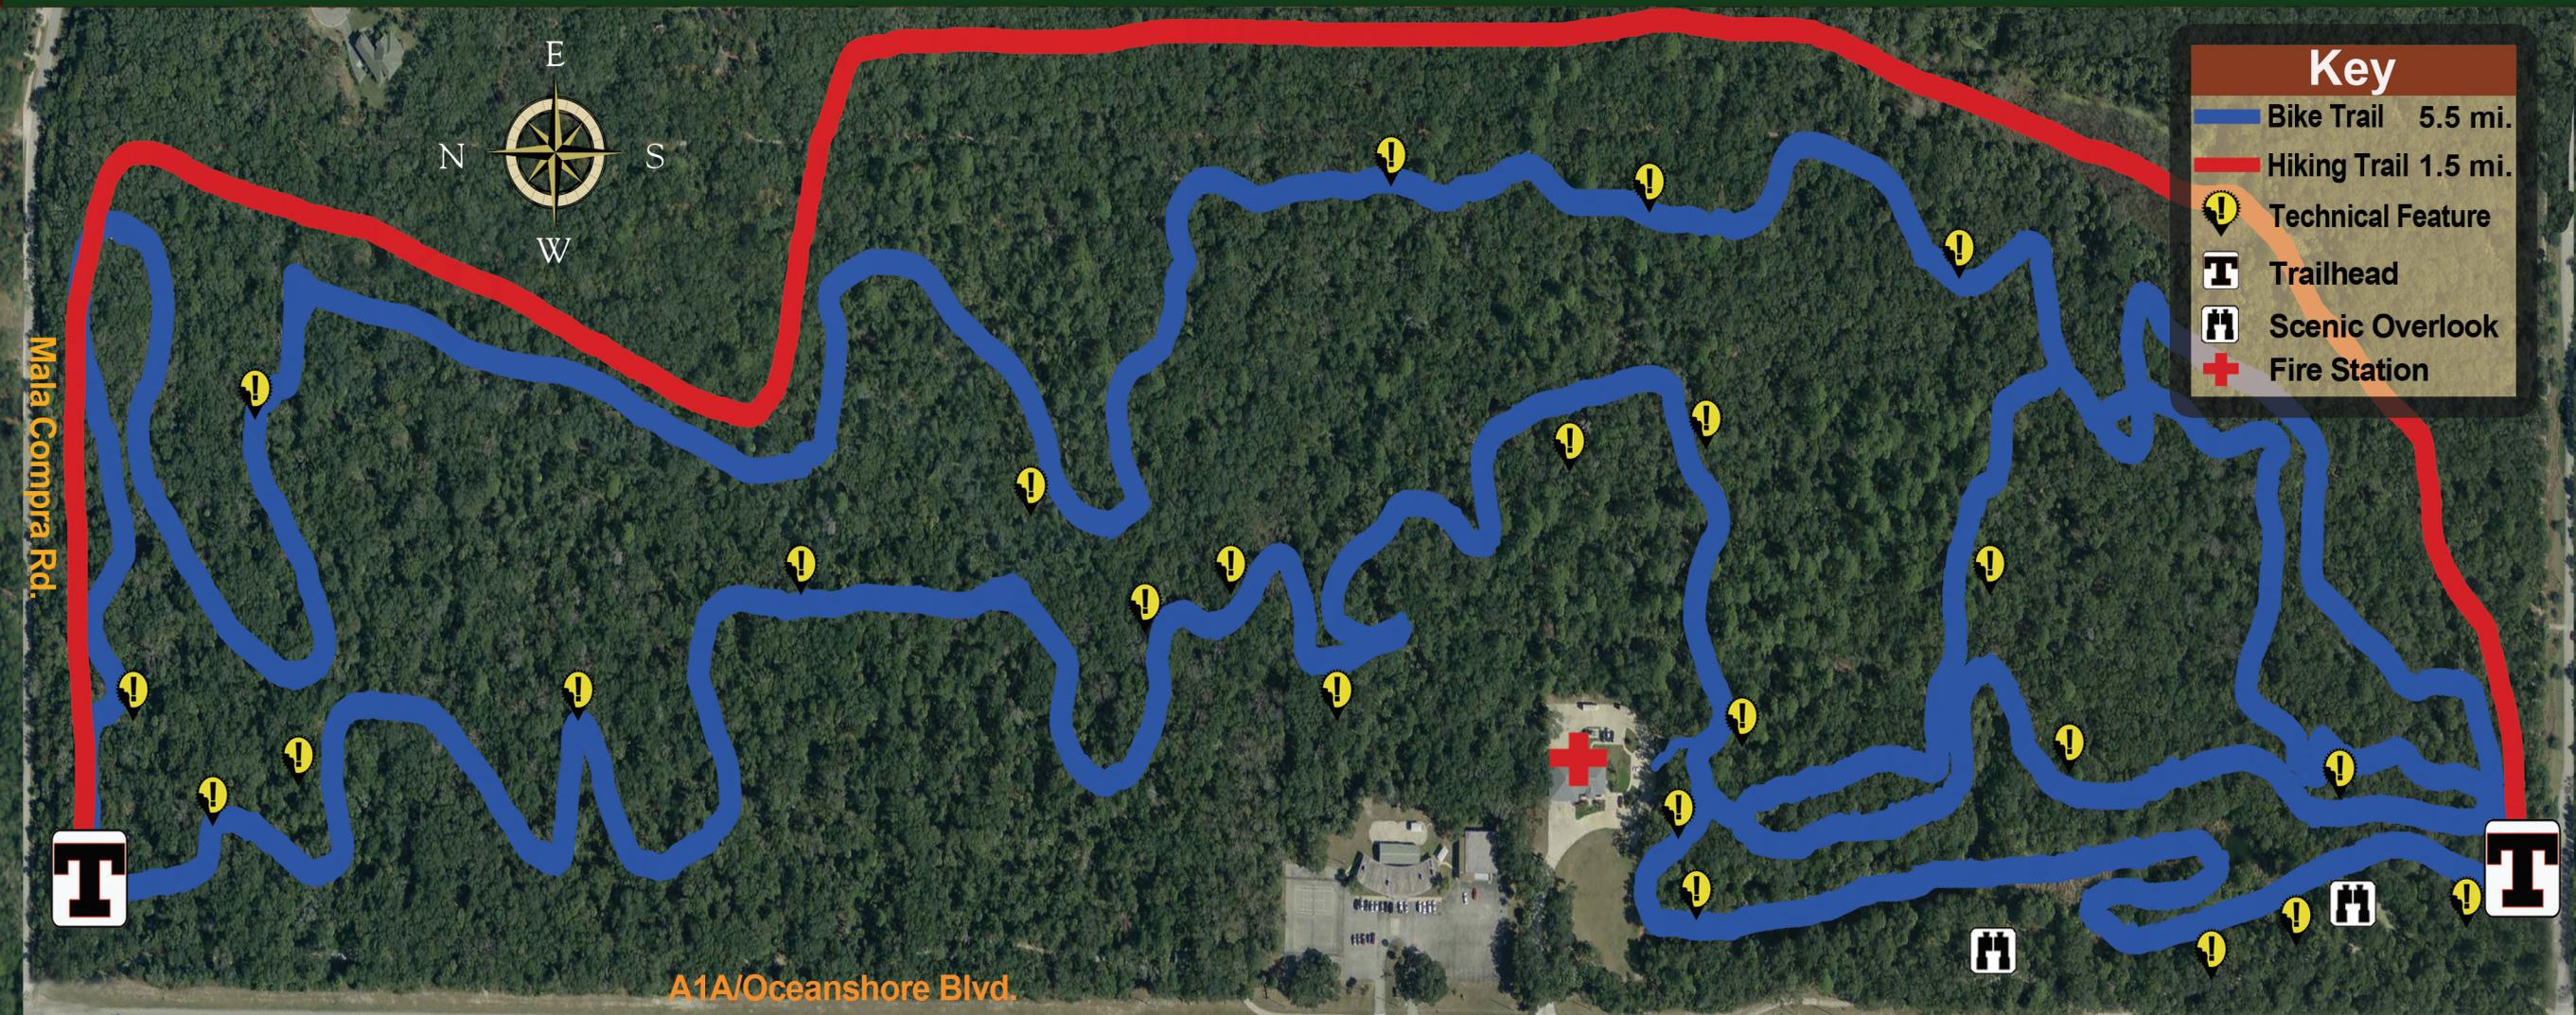

Surface mostly variable with a 20% or less grade. Riders must be capable of sustaining prolonged effort. Features require a high level of skill to be able to negotiate.
