Getting Started with Android

Enjoy eBooks and eAudiobooks from your local school or library with the Axis 360 mobile app! The Axis 360 app links your device to your school or library and lets you discover, download and enjoy content on the go, all in one application.

Download

Visit the Google Play store and search for Axis 360 to download the app.

One-Time Account Setup

To find your school/library, search by location or name, and then enter your **Library ID** (or barcode) and your **PIN** (if applicable). Select **Remember Me** to have the application save your log in information. If you do not know your Library ID or PIN, consult your librarian.

Find Digital Content

You can browse your school or library's digital collection by scrolling through the titles available on the home page, or drill down by tapping on a particular Subject. You can also search for a specific author, title, or keyword in the **Search** field.

- eBooks display an "e" in the jacket corner
- eAudiobooks display a set of headphones in the jacket corner
- Format icons display in gray for titles that are not available for check out

Check Out

Simply tap the **Checkout** button to borrow an item. Your digital content will immediately open within the Axis 360 app.

Your Digital Content
