About the “You Can!” Project

The Flagler EDC and its partners, unveiled the YouCanInFlaglerCounty.com workforce recruitment website last year. The comprehensive website highlights the County’s amazing quality-of-life and serves as a resource for those looking to relocate to the community. Site topics include: dining, education, sports, pets, clubs, organizations, events, parks, entrepreneurship, finding a job and more. Now, after a year of successful community interaction, we’re going mobile with **Flagler CAN!**

The app is designed as a multi-generational workforce recruitment tool, engaging existing residents and potential transplants. Gen Zs, Millennials, Gen-Xers and Baby Boomers will appreciate the content and convenience. It answers the question “Why Flagler?” Because you CAN have it all!

The **Flagler CAN** app is brought to you by the Flagler County Department of Economic Opportunity and its partners CareerSourceFV, Coastal Cloud, The Flagler County Chamber of Commerce, Daytona State University, Curly Tail Design, Flagler County and Preferred Management LLC.
